Provided that if the Approving Agent is satisfied that in all the circumstances the issues of the site plan have been addressed with respect to proximity and topography, all in relation to the site and neighbouring lots, then the Approving Agent may approve plans at minor variance from the above setback rules.

- (f) Unless the maximum vertical face of any single family residence will not exceed two stories (including above ground basements) or 6 metres AND the maximum height of any single family residence will be 8 metres.

Provided that if the Approving Agent is satisfied that in all the circumstances the issue of the exposed mass of the building has been addressed with respect to the esthetic appeal and architectural merit, all in relation to the site and neighbouring lots, then the Approving Agent may approve plans at minor variance from the above height rules.

Height means the elevation of a point directly below:

- (i) that part of the building or structure being measured above land (or the surface of water at high water), and;
- (ii) on a line connecting the two intersections of the natural grade and the outermost exterior building walls or supports as indicated on a plan showing any complete vertical section of that part of the building or structure being measured;

but specifically excludes chimney.

5. The following limitations on the use of any of the Lots or any parts thereof shall be applicable:
- (a) no building material, crates, packing cases, contractor's shed, equipment or other unsightly objects or material shall be placed on any Street nor on any property adjoining any Lot nor left on any Lot otherwise than during such time as construction work is actually in progress on such Lot, and no excavation shall be made unless necessary in connection with the erection of an approved Building or extension or alteration thereof;
- (b) no billboards, placards, advertising or signs of any kind shall be erected or displayed on any Lot or on any Building, or in any window or door of any Building without the prior written consent of the Approving Agent and if any professional practice be lawfully carried on in a residence then the signage must have been approved in writing by the Approving Agent; if any Lot be listed for sale and a real estate agent's signage or any other signage be used to advertise the sale, the frame for the signage, the sign itself, and the method of displaying the sign shall be first approved by the Approving Agent. It is the intent that such signage shall be uniform for all the Lots and it is not the intent to control the agency with which vendors list Lots for sale.
- (c) no Building nor any alteration or extension thereto shall have any exterior finish of vinyl or metal material except for such types as are first approved by the Approving Agent and no roof shall be constructed of a "Duroid" type material or of metal. No tile roof shall be constructed except for concrete or clay tiles. Approval decisions will be based on the entire esthetic effect including the effect on surroundings.

  - (e) no mobile home, modular home or trailer shall be placed, maintained or occupied on any Lot as a residence and no trailer, boat, truck or recreational vehicle shall be parked or stored on any Lot for a continuous period of more than seventy-two (72) hours unless in an enclosed garage or other area bounded by screening approved by the Approving Agent;
  - (f) no pole, mast, clothesline, antenna or similar object of any kind shall be erected or installed on any Lot or on the exterior of any Building, save and except an umbrella type clothesline;
  - (g) no satellite television receiving devices shall be placed on any Lot unless the device is completely enclosed within the house, garage or other structure and is not visible from outside the said structure;
  - (h) no heat pumps shall be placed in Buildings or on any Lot unless the siting has been approved by the Approving Agent and the sound level at the property lines of the Lot will not exceed 50 decibels;
  - (i) no trees shall be permitted to grow to a height or in a location on any Lot which unreasonably blocks the views from the building on another Lot; and
  - (j) no poultry, fowl, swine, sheep, cows or other livestock shall be kept on any Lot except only domestic dogs and cats, which pets shall be kept on leash or strictly controlled by the Owners;
  - (k) no decorative Christmas lights shall be permitted on Buildings except during the Christmas season.
6. The Owner of each of the Lots from time to time shall:
- (a) construct, maintain, replace and repair all Buildings on the Owner's Lot in compliance with the requirements of this Building Scheme; and
  - (b) landscape the Lot within a period not exceeding six (6) months from the date of substantial completion of the Building on the Lot, provided however that neither the Owner of any such Lot nor any other person shall be in breach of this provision if landscaping is interrupted by reason of strike, lockout, labour dispute, act of God, inability to obtain labour or materials or both, fire or other casualty so long as such Owner or other person takes such steps as are reasonably available to it to minimize the effect of such occurrence and such Owner or other person diligently recommences landscaping immediately after any such occurrence.
7. The provisions hereof shall be in addition to, but not in substitution for, any generally applicable laws, ordinances, rules, regulations or orders of governmental authorities applicable to the Lots.
8. If any provision or provisions herein contained shall be found by any court of competent jurisdiction to be illegal, invalid or for any reason unenforceable or void then such provision or provisions shall be deleted herefrom and the provisions hereof shall be construed as though such provision or provisions so deleted were never herein contained.

10. The provisions hereof have been instituted for the general benefit of all Owners of all of the Lots from time to time and which Owner in agreeing to buy any of the Lots acknowledges such general benefit and the personal benefit attaching to the Lot or Lots purchased.
11. Neither Fairwinds nor any Fairwinds Affiliate nor the Approving Agent, nor any of their respective agents, servants and employees, shall be liable for any or all loss, costs, liabilities, claims, damages or injury to any person arising out of:
  - (a) the approval or deemed approval of any Building Plans; or
  - (b) a failure to enforce any of the provisions herein contained;and whether caused by the negligence or willful act of Fairwinds, any Fairwinds Affiliate, the Approving Agent, or any of their respective agents, servants or employees or otherwise (herein collectively called the "Liabilities"). Each of the Owners of the Lots from time to time hereby releases Fairwinds, Fairwinds Affiliates, the Approving Agent, and each of their respective agents, servants and employees, in respect of the Liabilities.
12. No condoning, excusing or waiver by any person of any default, breach or non-observance by any other person at any time or times in respect of any provision herein contained shall operate as a waiver in respect of any continuing or subsequent default, breach or non-observance, or so as to defeat or affect in any way the rights of any person in respect of such continuing default, breach or non-observance, and no waiver shall be inferred or implied by anything done or omitted to be done by the person having such rights.
13. Any and all reasonable legal fees and disbursements incurred by the Approving Agent for the enforcement of, or the restraint of the violation of, this Building Scheme or any provision of this Building Scheme shall, upon demand by the Approving Agent, be paid and reimbursed to the Approving Agent by the Owner or Owners of the Lot or Lots in respect of which the Approving Agent incurs such legal fees and disbursements for the enforcement of, or the restraint of the violation of, this Building Scheme.

This Building Scheme constitutes a charge on the Lots which shall run with and bind all of the Lots and every part thereof, and render the Owner, each purchaser, lessee, sublessee and occupant of any Lot or any part thereof, and each successor in title, future purchaser, lessee, sublessee and occupant of any Lot or any part thereof subject to the restrictions herein set out and confer on them the benefits herein set out.
15. This Building Scheme and all of the restrictions set out in this Schedule shall be effective from and after the date of execution of this Building Scheme by Fairwinds.
